Please Be Patient With Me God's Not Finished With Me Yet!

As the LORD continues His transforming work -

- # He reassures us that He is at work (1&2)**
- # He uses frightening situations to cause us to pray (3-21)**
- # He performs transforming surgery (22-32)**
 - it was a personal encounter.
 - it was a divine encounter
 - it was a painful encounter
 - a transforming encounter.
